

Allergens

At the Black Bull Inn Lowick, most of our food is freshly prepared in our kitchen, which handles allergens, so we can't guarantee that our food and drinks are allergen free. We can provide information for the products and dishes we serve from our menu with the 14 declarable allergens highlighted where present. The information we provide should NOT be considered as any form of guarantee, but as our best effort to provide you with information on our dishes. You should use this information to help you assess your own level of risk, based on your personal circumstances, before eating any of our dishes.

You should always advise your server of any special dietary requirements, including intolerances and allergies. Where possible, our team will advise you on alternative dishes. However, whilst we will always do our best to reduce the risk of cross-contamination in our premises we CANNOT guarantee that any of our dishes are free from allergens and therefore cannot accept any liability in this respect. Guests with severe allergies are advised to assess their own level of risk and consume dishes at their own risk.
